ALANA

stars in her eyes

photography by red velvet

Hello, everyone! It's Rachel, Lindsey's number-one intern, comin' at'cha. How do I know I'm number one? Because I get the honor of interviewing Alana! She's an 18-year-old "swinger" with rad taste in movies and books who loves to have fun and wants to make it big in the adult industry.

What do you do for fun?
Watch movies, read, hang out, have sex.
What's your favorite movie?
I like smart, quirky comedies—like, all of Wes Anderson's movies and old stuff like *Annie Hall*, *Harold & Maude*, *Young Frankenstein*, *Blazing Saddles*....
What's your favorite book?
The Bell Jar, *Brave New World*, *Off the Map*...stuff like that.
What's your favorite sexual activity?
I like it when guys play with my boobs. I tried titty-fucking for the first time recently. He came on my tits, too. That was hot!

Age: 18
Height: 5-5
Weight: 125 pounds
Measurements: 36B-27-34
Hometown: Glendale, Calif.

Who's your favorite person to have sex with?
I prefer it to be with a boyfriend, but I don't *have* one of those at the moment. I've done a couple porn movies, and my favorite person to work with so far is Evan Stone—he's such a character!

I didn't know you were doing porn! When did you start doing porn?
I've only done three movies so far. I just signed with a modeling agency last week. I'm pretty happy about it.

Why haven't you done any BARELY LEGAL movies yet?
Let's do one right now! Take those clothes off and get over here! Seriously, who do I have to blow to make that happen? LOL!

***Um*, that would be Lindsey.**
Oh, cool. She's hot!

So, you're into girls?
Well, the right girls. I try to be very open-minded.

Okay, so, what's the wildest thing you've ever done?
That would have to be anal. I tried it on camera, and it was the first time I'd ever done it in my life!

How was it?
It was good, but let me just say, when it comes to cocks, bigger is not always better! I couldn't sit down for a week!

Would you try it again?
Yeah! But I want to get some more experience in my personal life before I do it again on camera.

So, you pretty much plan on becoming a porn star?
I hope so! I don't care about being a "star" so much—I just want to have lots of sex!

Do you have any porn-star idols?
I totally admire, like, Belladonna, Joanna Angel, Sasha Grey, Penny Flame, Lela Star—the more "alternative" type girls, I guess. Besides being gorgeous and super cool, I just really like their attitudes toward sex. They're not afraid to get their hands dirty, you know? It's like, it's okay to be a little aggressive to go after what you want.

Have you been able to meet any of your idols yet?
Totally! That's the cool thing about the adult business. I love meeting all the people. The stars I've met have all been super cool and totally down-to-earth.

So, how did your first BARELY LEGAL photo-shoot go?
It was such a long day, but a lot of fun. I can't wait to see it. I hope you guys like it!

Will you come back for more?
I would love to—if you guys will have me! ★

"It's okay to be a
little aggressive."

DEAR BARELY LEGAL

PANTY CONTEST WINNERS

Announcing the results of BARELY LEGAL's May 2008 Panty Giveaway contests! Evelyn Lin's luscious undies go to D. T. of Virginia. We wish we could see him at work the day after he receives his prize! And B. H. of California made us smile with his tender ode to Marie McCray's cute li'l cum catchers. Congratulations, guys!

Dear BARELY LEGAL,
I am writing in hopes of being the winner of Evelyn's panties. First I will tell you what I would do with them; it will help explain why I would like to win.

After receiving her panties, I would wear them. Usually I would not venture out of the house after putting panties on, but this would be a special day. It would be a workday. I work as a field tech for a nationally known telecommunications company. Every day I have to put up with a customer giving me grief about something. I go into residences and businesses to fix problems. I also ascend poles and enter manholes (not those manholes). It's always my van, my tools and myself. I am alone all day, and the days get repetitive.

How great would it be to be on a telephone pole and feeling Evelyn's panties against my skin. Or my boss chewing me out, and all I can think of is Evelyn's May 2008 pictorial. My boss would sound like Charlie Brown's teacher—just noise—because my mind would be thinking about lunch hour. I would have my van parked with Evelyn in front of me and around me. Damn...I can already see it. If the van's a-rocking don't come a-knocking! Actually, it wouldn't be rocking long because looking at her and her panties in a photograph, then realizing I have her panties around me...I'd still have 59 minutes to go get lunch.

Just when you think that's the grand finale, well...it's not. Normally I carry all my tools in a bag. NOT TODAY! I'm wearing a tool pouch around my waist, going for the carpenter's-crack look and purposely bending over in front of customers so as to give them a glimpse of Evelyn's beautiful pink panties. If questioned on my choice of underwear, I would proudly explain where they came from and show the magazine, especially the panties and the beautiful masterpiece wearing them.

I think that would break up the monotony of work, at least for one day—unless you send the skirt and pink top.That would be something to see, especially with a matching hard hat.

Pink has to be the best color in the world. Everything good is pink. Speaking of which, Evelyn hasn't been with a person that has cunnilingus experience. That's one area where I have talent. I know I could make her go. I wouldn't come up until she orgasms.

D. T.
Virginia

Dear BARELY LEGAL,
I would like to say thank you and God bless America! When I first laid eyes on your pictorial of Marie McCray, I could not help but think that she is a vision of perfection. I have never seen a more perfect form of womanhood, and my collection of magazines is vast—some of my oldest porn magazines date back to the 1950s.

Marie's smile, red hair, green eyes, legs, skin tone, breasts are what legends are made of. And possibly the most beautiful pussy my eyes have ever seen. It resembles a flower.

If I win Marie's panties, I would rip the package open with eager anticipation of what treasure awaits me. First I would feel how soft the material is and imagine how it feels on Marie's body. Next I would take a long sniff of the aroma, imagining Marie in front of me. I would then start to tongue and suck on the precious spot where Marie was to extract the taste of her.

All this time I would be pounding my pud faster and faster until I "cunt" hold out any longer. I would then drape them over my meat volcano and spray them with a load of my slippery spooge. In a drunklike haze, I would have a big smile, just knowing that Marie's and my juices would be mixed forever.

Lindsey,
I enjoyed your April issue. Tori Black is very hot. I have seen a couple of her videos, and she is incredibly sexy. In your interview with her, Tori asked for readers' thoughts on her getting a boob job when she is 21. My response to her is, leave your breasts alone. They are perfect. Your entire body is perfect. You are beautiful and sexy as you are. If there is one thing I would change, it is her tongue piercing. Personally, I do not find a pierced tongue sexy. Anyway, Tori is one beautiful, sexy young woman, and I am glad she is your Teen Queen for April 2008.

I also thought Hana was very cute and sexy. Continue your great work. As always, I loved your photo.

Dear Tori,
You have very nice tits, and you don't need a boob job.

Dear Lindsey,
Only one name comes to mind for me in April. Tori Black, once again you have worked with your sister mag and brought forth great fruit for my loins. She is so hot, I took the layout of her in HUSTLER and BL and laid them side by side and went to town on Junior!!! Especially on the photo with those yellow panties riding up her phat ass. Ruby Knox was hot as well, and thank you *soo* much for bringing back Sandy. Also, thanks for making Tori reveal that she likes black men. That made it even hotter for me. Keep it up, baby!!!

M. T.
by Internet

Wow, you guys sure liked Tori Black and her B cups! I hope this gives her even more proof that she doesn't need to get a boob job. Turn to page 32 to see Tori's new layout and her same old perfect titties. ;) ***—Lindsey***

Dear sexy Lindsey,
I just received your April edition, and I decided to renew my subscription. Times are a little hard, money-wise, here in the joint, but then I thought, I can't go without seeing Lindsey every month. I remember the first time I saw your picture, and my heart skipped a beat!! I said I would rather be broke than do without your sexy self.

I want Ms. Tori Black to know that she should *not* get a boob job!! She is super hot.

I saw the pictorial of Lara and Marina from Marietta!! Those two are super hot. I would love to see those two having a threesome with you!!

Oh, and Lindsey, I love your feet. When I saw those sexy little feet of yours with that bright-red nail polish on those sexy toes, I became very hard!! I also noticed in past issues you mention how you lack bigger tits. I mean this from every ounce of my heart, you are *perfect* the way you are. Please don't be hard on yourself. You are so hot!! Do you have a fan-mail address?

Love,
Arthur
West Virginia

Arthur, you already just sent me the best fan letter ever! Thank you!! ***—Lindsey***

Dear BARELY LEGAL,
In the April issue, thank you...thank you...thank you for showing the Maria Sharapova pictures with her tiny panties and her pussy lips [*BARELY LEGAL News Flashes*].

Sincerely,

R. M. S., anytime a young celebrity girl flashes her pussy, we'll be on top of it. (Hee-hee.) Check out page 16 for our latest cooch catch! ***—Lindsey***

Dear *Girls of BARELY LEGAL*,
I had to write. I am turned on beyond belief! Your several girl-on-girl features in each of your mags are the best I have seen. Girl-next-door types French kissing, licking and fingering each other's pussies—what could be better? I wish your mag came out monthly, as it seems quite a long time before the next issue hits the newsstand. I look forward to your next issue!

EMMA WATSON

Like a lot of BARELY LEGAL readers, we were counting the days until *Harry Potter* star Emma Watson's 18th birthday. Not that we thought she would, like, turn 18 and immediately start flinging her naked titties around. But we *did* think, *Finally* we can make her our "Young Celeb Fantasy," like so many readers have requested. *Finally* we can at least *picture* her nude and sexy.

Well, apparently Emma was excited about her 18th birthday, too. To celebrate, she partied in London—and surprised *us* with a present! She was hiding it between her legs the whole time!

Thank you, Emma. It's our best birthday ever!

CHRISTINA RICCI

So demure!

Black Snake Moan

courtesy mrskin.com

We used to totally *worship* Christina Ricci (*Speed Racer*)—until she started saying mean things about young actresses (Oh, hi, Lindsay Lohan) who play strippers in movies. Christina's all, "The hottest thing to say is, 'I can work a pole!' I mean, you see actresses, and their passion project is to play a stripper. It's just stupid."

Thanks a lot, Christina! Stripper movies starring hot young starlets taking on their first serious acting roles are, like, so necessary for *BARELY LEGAL News Flashes*. Just 'cause *you* want to stay covered up in *your* movies....

Wait, what's this DVD...*Black Snake Moan* (2007)? Christina is chained to a radiator—*topless*? She's crawling around on the floor—*topless*? But she just said....

Oh, Christina. Well, *we* don't mind if you're a hypocrite. Just keep showin' us those boobies!

Secretly commando?

No more secrets!

KELLY CLARKSON

YOUNG CELEB FANTASY

If you are addicted to *American Idol* like we are, then you know that the girl contestants are always super hot, but also super boring. They're so unbelievably pure! It's like, we hope they at least have sexy *secrets*.

Well, we just found out the sexy secret of the very first winner, Kelly Clarkson. Readers R. B. in West Virginia and Chris in New York, brace yourselves: Okay, the *whole time* Kelly was on *American Idol*? She never wore panties! Can you believe it? For "A Moment Like This," some people go commando!

We bet she totally waxes down there, too. In fact, we'll bet our "Young Celeb Fantasy" on it. Kelly, your secret is *so* unsafe with us!

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of Kelly Clarkson actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, it's our 15th anniversary! Can you believe it? We're the same age as Miley Cyrus! (See you in three years, Miley. *winks*)

Anyways, 15 years is a huge deal and deserves an awesome celebration. *Everybody* wanted to pitch in, starting with future superstar Dakoda Brookes. She was just on the cover of a little magazine called HUSTLER—maybe you've heard of it?

Another star, super hot Tori Black, did an encore photo-shoot in honor of our special day. By the way, concerned readers—her boobs are still real. And still perfect!

Also? We have *three* panty giveaway contests, 'cause Alana, Louisa and Scarlett all *insisted* on donating their undies. Plus, we've got a new hard-core comic strip, *Peanut Butter*. It's so dirty, it makes me as gooey as the title.

Even young celebs have joined the celebration! Check out *News Flashes* for a peek at Emma "Hermione Granger" Watson's magic muffin—captured on film only *five days* after her 18th birthday. I'm personally going to be *very* distracted watching the next *Harry Potter* movie.

Whew! I'm all partied out! I barely have the strength to lift a finger. That's okay—I'll just leave it in my panties. :)

COOKIE

cookie & cream

photography by john emslie

Hi, I'm Nikki, your friendly neighborhood intern, and my super excited new friend here is Cookie, a high school senior who believes that cleanliness is next to horniness.

How would you describe yourself?
Mmm...I'm goofy and a little wild. I'm a very outgoing, social person, but I don't care about being popular.
What do you do for fun?
Hang out with my friends, try to sneak into clubs, go to football games, the usual.

How did a girl like you get a booty like that?
I dunno! I've been trying to lose it since eighth grade, but lately I've been using it to my advantage.
Tell me about it! Guys must go crazy for it.
Sometimes, yeah. I love to rock the thong or sometimes a short, tight skirt where my ass just hangs out.
Has anyone ever tapped that ass?
Hell, yeah! I had butt sex before I even had regular sex—I wanted to keep my virginity!
Which do you like better—butt sex or regular sex?
Depends on my mood. I have regular sex more often now. Why not? I mean, once you lose your virginity, it's gone—whether you have sex one time or a million times!
How often do you have sex?
I'm between boyfriends at the moment, so the showerhead is my new best friend—it gives me the best orgasms!
Okay, but how can a guy best make you come?
Work the clit! If you can rub my clit and stick it in me at the same time, I'm in heaven.
What do you look for in a guy?
I have a thing for bad boys—tattoos and piercings are a plus! But personality's more important than looks.
What's the wildest sex you've ever had?
Sex with a stranger at a water park.
How did that happen?
We were both in the changing room, and I could see he had a huge boner. One thing led to another!
What's your ultimate sexual fantasy?
A threesome with two guys. But I'm kind of curious about being with a guy and a hot girl.
Did you like posing nude?
Oh, yeah. It made me feel sexy. Guys see me more as "the goofy chick" than "the hot chick," so I think this will be good for my self-esteem—and hopefully my sex life! ★

TORI BLACK

black to my roots

Hey! It's Lindsey. You guys might know Miss Tori Black from the April 2008 issue of BARELY LEGAL or maybe even from the May 2008 issue of HUSTLER. But I almost didn't recognize her myself!

Tori, is that *you*? You usually look so glamorous.
This is how I look around the house. I thought it would be perfect for BARELY LEGAL. Natural. No makeup, no hoochie clothes.
That was an awesome idea, 'cause now that you're a big star, people don't really see this side of you.
Well, that's why I love BARELY LEGAL. It's basic. Just me and my bod.
Speaking of your awesome bod, what did you think of all those letters from our readers asking you to please not get a boob job?
So much love to those guys! I mean, to take the time to write and to say such nice things about my tits.
Did they change your mind about getting implants?
I really haven't made up my mind. But I definitely won't do anything before I turn 21. We'll see how my career is going in two years!
So, you definitely plan to still be making movies in two years?
Of course! I want to be the most famous porn star ever!
Why is stardom so important?
I'm just really into what I do, so I want to be the best at it.
Does that take some of the fun out it?
Out of making movies? Never! I love fucking more than anything. It's never not fun.
Last time you were here, you said you were going to try anal soon. Well?
I know it sounds crazy, but I still haven't done it! But it *will* happen.
Are you still into girls?
More than ever! I'm, like, really *aggressive* with girls now. It's hot to feel like the dude in the equation.
Are you into girls more than guys?
No way! I prefer making movies with guys, and I prefer guys in my personal life, too.
But not *one* guy.
I've got *so* much going on, plus I'm only 19. I don't want to be tied down. Maybe someday. You can check me for implants and boyfriends in two years! ★

OLIVIA
hi, mom!
photography by matti klatt

Hi, guys! I'm Nikki the intern. Interns don't get paid—but we do get lots of perks. In fact, the only thing perkier around here is Olivia's boobs! Blond hair, blue eyes, a killer bod *and* a great personality? Life is *soo* not fair!

Hi, Olivia. Tell us about yourself.
I work at a lingerie shop whose name shall remain *secret*. LOL! I'm a country girl at heart. I laugh too much—at everything! I'm just a giggly girl who likes to have fun.

Are you seeing anyone?
No, I'm single. I don't want to rush into anything. I don't want another asshole. I'm looking for a nice guy who will treat me good.

Do you think you're approachable?
Oh, yeah. I'm pretty friendly. I like meeting new people.

Are you a partier?
Not excessively, but I have my moments.

Do you have a dirty mind?
Well, I'm lying here naked, spreading my cooch for the camera. What do *you* think?

Age: 18
Height: 5-5
Weight: 117 pounds

What's the dirtiest thing you've ever done?

Do I have to answer that? My *mom's* gonna read this!

Seriously?

Well, she knows I'm doing this—and she supports me!

So, what *is* the dirtiest thing?

(*Sighs*) I had a one-night stand with one of our customers. A *guy* customer, I mean.

We practiced safe sex, Mom!

What do you look for in a guy?

Sense of humor is a must.

What's your favorite sexual activity?

Besides sex? I don't know if this counts, but I get *really* turned on when guys watch me undress.

So, you're a natural-born stripper?

Well, just for fun. I don't know if I have what it takes to go pro.

***Uh*, I'm pretty sure you do!**

Really? Thanks. I'm pretty nervous about how the shoot's going to turn out. The photographer was awesome, and I had a lot of fun, but it's kind of scary to put yourself out there like that.

You look great! If you do get a good response, is this something you think you would do for a living?

Well, it was definitely exciting! I'll do it again if someone asks me! ★

Adorable **Estrella** works in the clothing industry, which is totally ironic considering how awesome she looks naked! The 19-year-old cutie from San Francisco is part Mexican and part Italian (yum, that gives us an appetite!) and describes herself as "determined" and "passionate." Bummer for us bi BL girls, only *guys* get lucky with Estrella—but you boys better be strong and flexible, 'cause her fave sex position is standing up. The tan-lined teen says her best physical feature is her lips (which ones?!), and her ultimate fantasy is "sex on the hood of an old car" (honk if you're horny!). Estrella loves to sing and dance, and her main goal in life is to become a forensic psychologist. We have no idea what that is, but she can examine us anytime!

ON MY OWN

TWO FEET

a BARELY LEGAL confession

by deandra loomis

photography by dave naz

If you had asked me like four months ago if I would ever pose naked for a magazine, I would have said *no way*. I was a good girl, born and raised in Terre Haute, Indiana. I went to church. I was dance-team captain, assistant manager at Forestdale Mall Dippin' Cone and a *serious* virgin. I had a boyfriend and he was always trying to feel me up, but all I ever let him do was kiss me—only closed-mouthed too, no tonguing! I was saving myself for marriage. Reggie, my BF, sometimes he'd get a boner and moan, "C'mon, Dee—*please* let's get married!"

I look back at what a prude I was, and it's hard to believe. Poor Reg! I wasn't torturing him out of meanness. I really thought I wanted to be a virgin and even marry Reggie. But then I turned 18, and everything started to change. Maybe it was just, like, knowing I was finally an official adult. It was kind of, I don't know, *intoxicating*.

I made the first big step with Reggie. We were hanging in my den one night, maybe like four days after my 18th birthday. We were watching *Employee of the Month*. Dane Cook is hot, but I am so completely over Jessica Simpson. Anyway, I was pretty bored and I thought, It sure would be fun to flash my boobs. So without even really thinking I lifted up my top and showed Reg my boobies. OMG, the look on his face! I think he was scared for a second that he was hallucinating, or maybe that I had suffered a severe nervous breakdown. But it was for real. I held my tee high. My nips were totally getting hard.

"Go ahead and touch 'em," I said. "It's okay."

Reg was frozen. I put my hands on his knees and shook my little boobs. He snapped out of it and squeezed me.

Having a guy touch me like that, skin on skin for the very first time, it was *amazing*. Shivers shot from the tips of my nipples all the way down to my tummy and into my pussy. My clitty got all hard and pushed against my jeans. I sometimes play with myself a little, but my clitty had never felt this way before. I guess there's no substitute for a man's touch.

I moaned. Reggie's dick was making a lump in his jeans. I wanted to see his boner in the flesh, so I unzipped his fly and dug into his boxer briefs.

It's so funny, 'cause I thought I'd be shy and awkward touching a penis, but it was the most natural thing. I closed my fingers around Reggie's cock and tugged. It felt like I was molding his boner, the way it rolled around and throbbed in my hands. I almost could have crawled in his lap and sat down on his dick right then and there. Instead, I straddled his knee and grinded my clitty into it, to make myself come. But I kept pulling on Reggie's cock the whole time. I didn't want to be selfish!

It was *so* sexy. I had a huge orgasm—like huger than any I ever had alone—but the best part was when Reggie came at almost the exact same time. He must have gushed a bucket! His jizz coated my tummy and the crotch of my jeans. (*Psst*! Don't think I'm gross, but when I undressed for bed that night, I sniffed the cum stain and touched my tongue to it, to try and taste. I was curious, sorry! Anyway, it was all dry by then.)

After that night, Reggie and I went to first and second base all the time. I told myself I still didn't believe in premarital sex, but it was all I ever thought about. It's a wonder I managed to graduate, I was so distracted! When summer came, Reggie and I spent every day eating ice cream and hiding in the park and going to *third* base—yes, I let him finger me! It was awesome, but I yearned for more. I mean, out of *life*.

"I thought I'd be shy and awkward touching a penis, but it was the most natural thing."

I quit Dippin' Cone and started working at Elder-Beerman in Shoes and Handbags. I felt like a woman getting dressed up for work and wearing heels instead of a pink visor and polka-dotted apron. Also, I thought maybe I'd like to study fashion design and merchandising at tech college in the fall. So working at Elder-Beerman was a big step for me. It also changed my life *forever*, 'cause it's where I met Luis.

Before everybody thinks I'm a slut, I never cheated on Reggie. It's hard to explain, but I'm going to try to tell what it's like to meet an older man who starts to show you everything. Then you might understand and not just think I'm mean.

All night I tossed and turned and thought about Luis. Reggie called the next day, and we parked behind Rocky's Garage. I pulled on his dick till he came on my titties, but it wasn't the same. I was distant. Reg could tell something was the matter with me.

After a week of weirdness, I broke up with him. Nothing had even happened with Luis, but I couldn't deny that he was making me feel funny. I cried about Reg, but I was changing, like a butterfly.

The very next day at work, Luis called me in for "an intensive one-on-one meeting." I'd only had my job a couple of weeks and I was still learning, so I hoped I hadn't screwed up. I

Luis is the head of the entire women's department at Elder-Beerman. He's a very smart and handsome man, and he has a great job, and he even has a sexy accent because he's from, like, Argentina or Peru, I think, but none of that is why I started to like him.

It started 'cause he was training me. He told me he personally trained every new hire in the women's department because he believed in the highest standards of excellence. I was intimidated, but when he showed me how to properly fit a shoe, everything changed. It was love, instantly.

All he was doing was training me. He told me to take off my shoes and have a seat.

"I will demonstrate on you, a fitting." He kneeled at my feet. When his fingers wrapped around my ankle, shock waves shot through me. It was like he was a man made out of pure electricity. Maybe it sounds corny, but that's how I felt.

"At the end of each shoe, there must be adequate space for the longest toe, three-eighth to one-half inch," he explained. He squeezed my toe and I held my breath. What was happening to me? walked into his office and he locked the door. I sat in the big leather chair facing his desk.

"I won't play games with you, Deandra," Luis said. "It is against the code of conduct to engage in a relationship with an employee, but you must know that I'm wild with desire."

"Me too, sir."

Luis was on me right away. Now, BJs are another thing I always felt were a big deal, reserved for your husband only. If I was gonna be really strict, I'd be like, NO BJs EVER, because at my church, they teach that oral sex is a sin even when you're married, but deep down I never really agreed.

And now I *really* didn't, because Luis was standing in front of me with his big, dark hard-on and guess what? My mouth was watering. That never would have happened with Reggie. I didn't feel for him in the deep and sexual way that I felt for Luis.

Luis's cock was really thick. I had to kind of stretch my jaw to fit him, because my mouth doesn't open very wide naturally—embarrassing fact about me! The truth is, it hurt to hold my mouth like that for so long, but love for what I was doing sort of

"I spread my legs and rubbed my pussy right there in front of Luis!"

took the pain away. Luis grabbed me by the ponytail and crammed his dick as far as it would go down my throat, but I didn't gag. I flexed my tonsils and my tongue and moved everything out of the way.

"You make me insane," Luis growled, popping the buttons on my blouse and clutching at my tits. My nipples poked out of my bra, hard as rocks. Then it was like *I* was the insane one. I spread my legs and rubbed my pussy right there in front of Luis!

I just didn't care. I had to ease the pressure building up in my clitty. I stuffed my hand in my panties and went to town. Luis's dick filled my mouth. I closed my eyes and sucked and savored the taste. My pussy lips curled around my fingers and my hole quivered. I started to come, but I was scared I'd accidentally bite down on Luis, so I waited till he came on me. He came a lot, too, right in my face. It was the greatest. I'd never felt so dirty.

"Don't forget to finish with your pussy," Luis said, still holding his dripping dick. Now the pressure was on 'cause he was totally going to watch me masturbate. But that was fine by me. I spread my legs as wide as I could to give him a great view, and I rubbed till I came.

After that, things got really intense between Luis and me. But it was also a problem, 'cause he was my boss. We had to be very sneaky. We still weren't having sex, but I was sucking him off in his office every day. In my heart I wanted him to take me home and out on dates, but I didn't know if we could do that because our love was forbidden. I heard gossip sometimes about Luis. People said he was a womanizer, and this one lady Bess in Fragrances even said he was secretly married to a Mexican lady. But I didn't believe any of it. I knew we had something special.

A few weeks into our secret love affair, Luis finally took me out on a date. I was super nervous even though we'd been together a lot and I'd been so up close and personal with his peen. I knew things were about to get even more personal, 'cause he was taking me on an "overnight date." I had to lie to my parents and say I was going to my BGFs.

Luis drove us all the way to Indianapolis and took me to this really nice place. I ate lobster. Then he checked us into this swanky hotel. All I could think was, *I'm about to lose my virginity*.

When I think about it now it's like, I can't believe it took me so long. I also can't believe it didn't occur to me that Luis had a reason for driving us so far away for our passionate evening. But it was a night to remember. I wouldn't change a thing.

The room was lit with ornate gold lamps and the bed was gigantic. Luis poured some white wine from the mini bar, and I had my first drink. It was warm going down and made me feel lazy. I stretched out on the bed and smiled at Luis.

"Undress please," he said, standing at the foot of the bed and looking all serious and manly. I squirmed out of my pink slip dress. It wasn't embarrassing to be lying there naked, because I loved Luis. He sat down and rubbed my feet. It felt so good and stress relieving, but it also turned me on, the way he squeezed my arches and tugged at my toes. Then he did the strangest thing. He licked my feet!

It sounds disgusting, but it was great. The pussy is connected to the feet. I'm serious! My clit twitched with every flick of Luis's tongue between my toes. At one point, he almost had my entire foot in his mouth. My coochie was so wet, I mean, it was ridiculous.

Just when I thought I couldn't get any hornier, Luis busted out his dong and basically started, like, having sex with my feet. Don't laugh, because it's totally hot. He pushed my feet together and slid his boner between my arches. Then he licked my toes again so they were wet and slobbery, and squeezed his dick in between them. He kept panting, "Little piggies." Think whatever you want, but try it sometime—you'll see.

Of course, the most important part was still about to happen. All this time guarding my virginity, and I was ready to give it up completely. All my reasons didn't matter anymore. All that mattered was Luis, and the sexual way he made me feel.

I wasn't afraid of the pain, either. Luis had me so squishy, I was sure it wouldn't hurt. Even though his cock looked the biggest and fattest I'd ever seen it. Okay, I admit, I was a *little* afraid. When he held it in his hand and nudged it between my pussy lips, just the head alone felt so *giant*. I didn't know how much my pussy could stretch.

I held my breath, and Luis *squeezed* his whole cock in, all the way. There was a tiny sting, and then...heaven! I felt so alive, in my spirit and my pussy. Lying there on my back with Luis's dick sliding in and out of me, my knees at my ears, his hands squeezing my feet—it was, like, the most perfect feeling, ever, in my entire life.

"You're so tight," he wheezed. He stuffed my toes in his mouth. That's when I really lost my mind! Actually, I *found* my mind. All of a sudden, I, like, knew how to have sex. I lifted my hips and thrust back at him. Before, I was worried about fitting all his cock in, and now I just wanted *more*, and *deeper*.

Suddenly, Luis moaned and grabbed my butt cheeks. He whipped his penis from my puss and sprayed his cum all over my feet. It was *so* cool. I wiggled my glazed tootsies in the air. I wanted to show them off. Splooge dripped from my toes and splattered my boobies.

We took a bath in the giant tub, and I slept in Luis's arms all night like a baby. I'd found the man of my dreams forever—until a couple of weeks later, when I found out that Bess was right. Luis was married.

Adultery is so wrong, but I still love him, if you want to know the truth. My heart is broken for sure, but I learned a lot of important things. Like how awesome sex is. Also, how to love my body and my feet. It's like, Luis started me off on this amazing adventure, but my happiness was cut short. I wonder if I'll ever meet a man to show me the rest of the way. ★

DAKODA BROOKES

photography by mark lit

Hey, it's Lindsey. You guys, I am so stoked to announce our Teen Queen of the Month: Dakoda Brookes! Oh, you don't know who she is? You *will*! Dakoda's already been on the cover of our daddy magazine, HUSTLER (May 2008), plus she's been in a bunch of DVDs (see page 104 for a sexxxy sample). But, she's the least stuck-up future superstar you'll ever meet.

"I've found my purpose in life," Dakoda declares. "I feel lucky to be able to do my job and entertain and inspire people sexually."

We feel lucky, too!

Describe yourself, please: I am a free spirit, a romantic and a dreamer. And I hate clothes! (Damn Adam and Eve! LOL)
Favorite hobby: I'm *addicted* to MySpace! I go crazy if I'm stuck someplace with no computer.
Romantic status: Single. My boyfriend cheated on me. But I'm *glad* he did, 'cause he's the reason I did my first porno—as revenge. Now I just love doin' it for myself. Having sex on camera comes naturally to me.
Fave sex position: I don't have one yet. I only started having sex a year ago. Although, I *have* been making up for lost time. I need it three or four times a day at least!
Turn-ons: I like it rough. Spank me and pull my hair a little.
Turn-off: Well, it's not really a turn-*off*, 'cause a big cock is awesome to look at and suck, but if it's too big for my pussy, that's no fun.
Spitter or swallower: Swallow, baby. I *love* sucking cock.
To bi or not to bi: Bi, totally. Girls are yummy. The first orgasm I ever had in my life was with a girl! She really knew what she was doin' with her fingers.
Total idol: Marilyn Monroe...because if it wasn't for her, there probably wouldn't be any porn, and I would be out of a job. I believe Marilyn gave women the heart and strength to go against what society thought was right!
Philosophy in life: I believe in honesty, true love and awesome sex.
Ultimate goal: To just keep livin' life to the fullest! ★

Age: 19
Height: 5-3

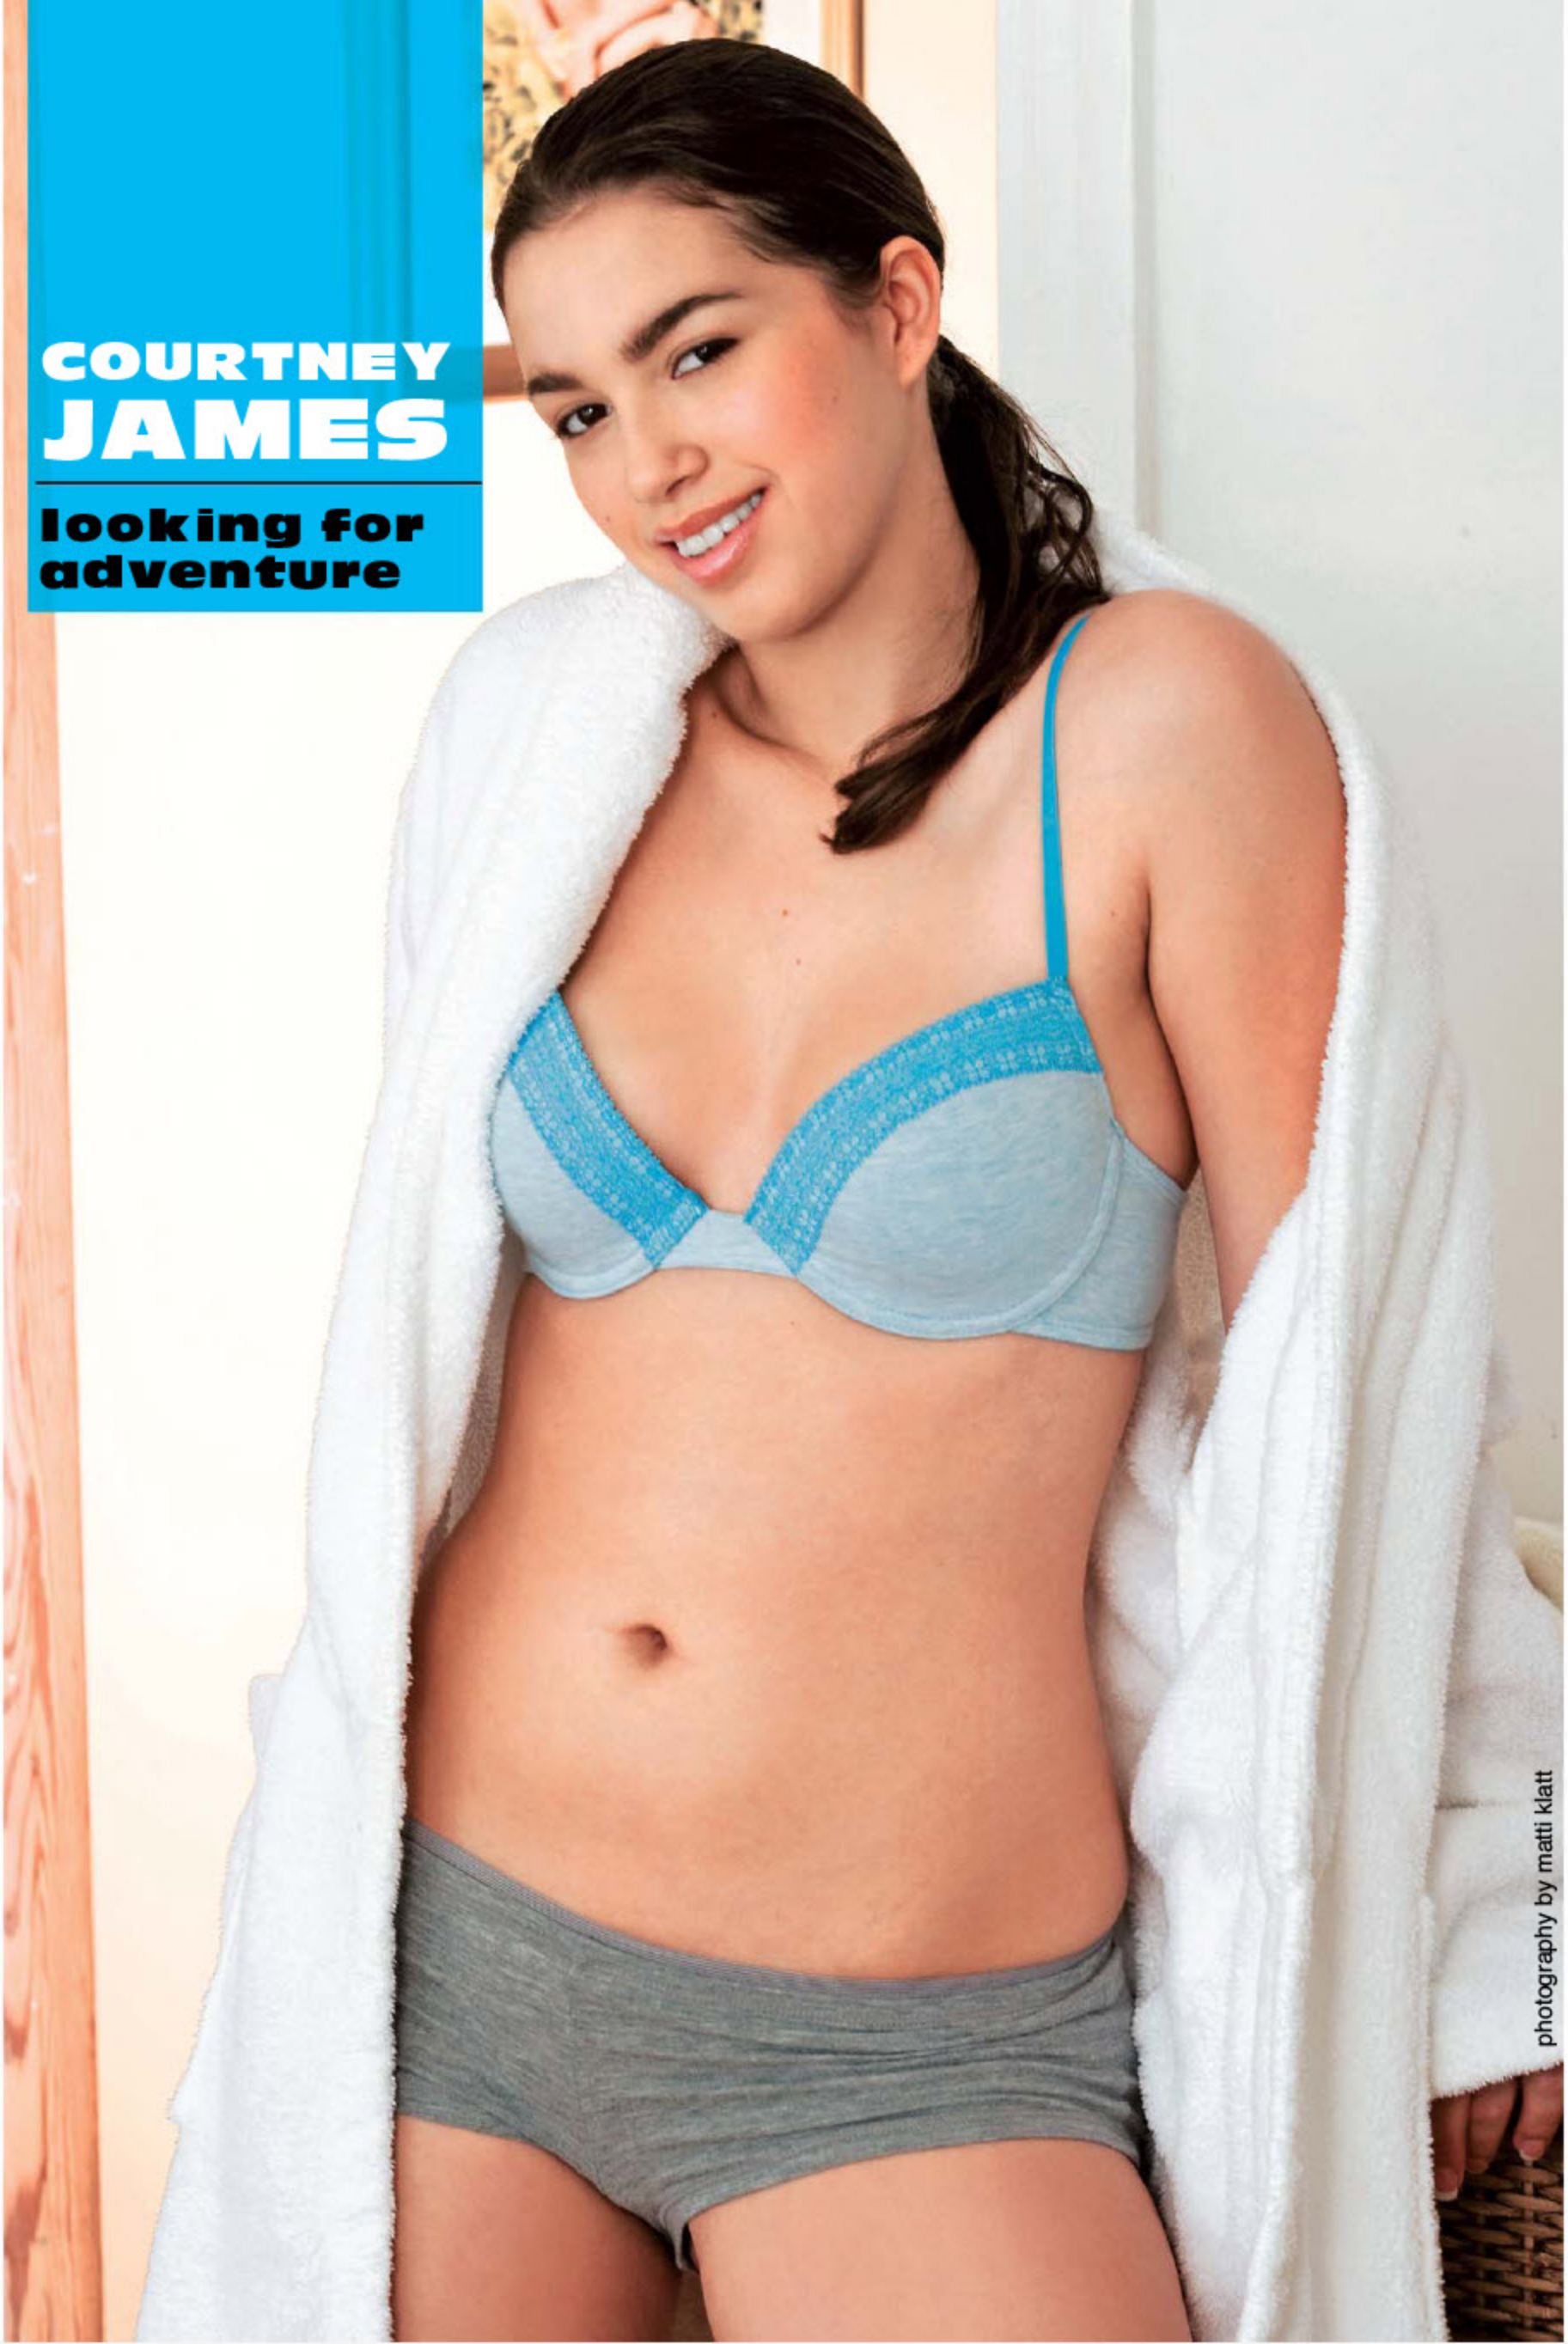
COURTNEY JAMES

looking for adventure



photography by matti klatt

Hi, dudes and dudettes. It's Nikki the intern here with the sexy star of *BARELY LEGAL #80*, the one and only Courtney James! Does this sultry minx have what it takes to be a movie star? You be the judge!

You have kind of an exotic look. Can I ask you about your heritage?
Sure. I'm American Indian and Italian.
What are your hobbies?
I love watching lesbian porn.
***Whoa*! I meant, like, nonsexual stuff.**
Well, I love dogs. I don't know. I guess I'm into the usual girly stuff.
What are your turn-ons?
Kinky, adventurous people.
What's the kinkiest thing you've ever tried?
Bondage.
Did you like it?
I loved it.
What turns you off?
Sneaky people.
What, like peeping Toms?
No, just when guys aren't honest about how they feel—or what they want.
What's your favorite body part?
My breasts.
Favorite position?
Cowgirl.
Do you like giving blowjobs?
Of course!
Do you spit or swallow?
Both. If he comes in my mouth, I'll swallow. But I like it on my face or boobs, too.
Have you tried anal sex?
Not yet. I'm willing to try it—I'm just not *dying* to try it.
How often do you masturbate?
Only *all* the time.
Have you ever been with a girl?
Yes. I, like, experimented with one of my friends. It was hot!
Have you had a lot of sex?
Yes. Not, like, with a lot of guys—just with boyfriends. But, yeah, I *love* sex.
How do you like to be fucked?
I like it slow and deep at first. I love to really feel it and let it wash over me. But then I love it when the guy just goes wild on me.
How did you get into modeling?
Um, I know a guy who knows some guys in the porn business. I got curious, so I asked him about it, and, well, here I am!
What was it like doing a porn movie?
It was great. It was weird having sex with a guy I just met—and in front of all those people—but that part made it exciting, too.
Do you wanna be, like, a porn star or whatever? Do you plan on doing this for a while?
No. I dunno. Whatever. There's no plan. I'm happy as long as I'm having sex! ★

Age: 18
Height: 5-2
Weight: 119 pounds

LOUISA
LANEWOOD
get your
rocks off
photography by teencyberbabes

Hey, guys! It's Rachel, the awesome intern, and I'm rockin' out with Louisa Lanewood! How much does she love being *nekkid* in BARELY LEGAL? She's all, "As a film student, I'm more used to being *behind* the camera—but curiosity got the best of me!"

What's it like living in Alaska?

It's *so* beautiful, but kind of isolated. The only bummer is, my fave bands never come to town. But Anchorage is a pretty big city. It's not like I live in the wild—you just gotta watch out for moose when you're driving!

Who's your favorite band?

Queens of the Stone Age. They rock pretty hard, but they're not too macho. Rock should be heavy enough for the boys and sweet enough for the girls. That way everyone's happy, and it's more of a party.

What are your hobbies?

I like skateboarding, kneeboarding, surfing, snowboarding, writing, reading and Wii-ing.

What are your turn-ons?

Laughter, open-mindedness and slow, gentle teasing.

What do you look for in a guy?

Someone willing to have adventures.

Favorite position?

Missionary.

How often do you masturbate?

Whenever I can't get a guy to do it for me!

What do you do when you masturbate?

I recently got into using sex toys.

"My tongue's probably the strongest muscle in my body!"

Have you ever been with a girl?
Yeah, lots of times. I think I can have more fun with girls. I like sex with a little attitude, and girls can be more aggressive with each other.
Do you like oral sex?
I like to give more than receive. I like going down on both guys and girls. My tongue's probably the strongest muscle in my body!
Have you tried anal sex?
I'm still getting used to regular sex!
What's the kinkiest thing you're ever tried?
Sex with a girl with a strap-on dildo! That was *soo* crazy!
How do you like being a nude model?
It's great! I really love art and pornography pretty much equally. This is the best of both worlds!
What are your future goals?
I want to start my own Web site so you guys can check me out 24/7. ★

The Diary of Molly Fredrickson VOL. 3

Chapter 1

"Dear Diary"

by Cornnell Clarke

As seen in Peanut Butter, Vol. 3, available from Eurotica, www.nbmpublishing.com.

Dear Diary,
Well, I'm finally settled into my room. It's all right, just smaller than I'm used to. Add to the fact that I have a room mate (more on her later), makes things kind of tight. The one thing I can't get over is the weather in San Diego. It's hot but, it never seems to get too hot.

Not like New York. When it gets hot over there it stays hot all fuckin' day and night!

And all these palm trees. Makes me feel like I'm on some sort of Island. Which reminds me, I can't wait to go to the beach. Definitely this weekend. I heard the parties over here are fuckin' wild!

As for classes, It looks like I'm gonna' have a lot of work ahead of me. That's no problem. Work hard all week, party on the weekend!

Although, I did have a little fun yesterday...

© 2008 Cornnell Clarke represented by NBM/Eurotica.

It started with my first class of English Lit. 101... There I was, enjoying some peanut butter when, I noticed something.

Peanut Butter

Everyone seemed to be so focused on professor Wilson and I couldn't understand why? I mean, he's alright I guess but, he's not anything special...

That's when I noticed it. Shit! The size of that thing!

I couldn't believe it! Right in front of class he had this ridiculous hardon and even crazier was the fact that he just continued teaching as if nothing was wrong...

I looked around to see who else had noticed... First I noticed this Asian chick next to me practically gushing...

Then I noticed this black chick behind her. Shit! (boy! I say "shit!" a lot.) She was just going off!

I couldn't believe it! Her seat was soaked and she was dripping onto the floor. For a while I had this image of her peeing on the Asian girl in front of her...

I don't think the Asian girl would have noticed...

And I don't think the black girl would've cared!

Just when things were getting interesting, class was over... All I could do was watch her leave.

I kept thinking... Erica would've said or done something, instead, I just watched that juicy ass of hers walk away.... Fuck!

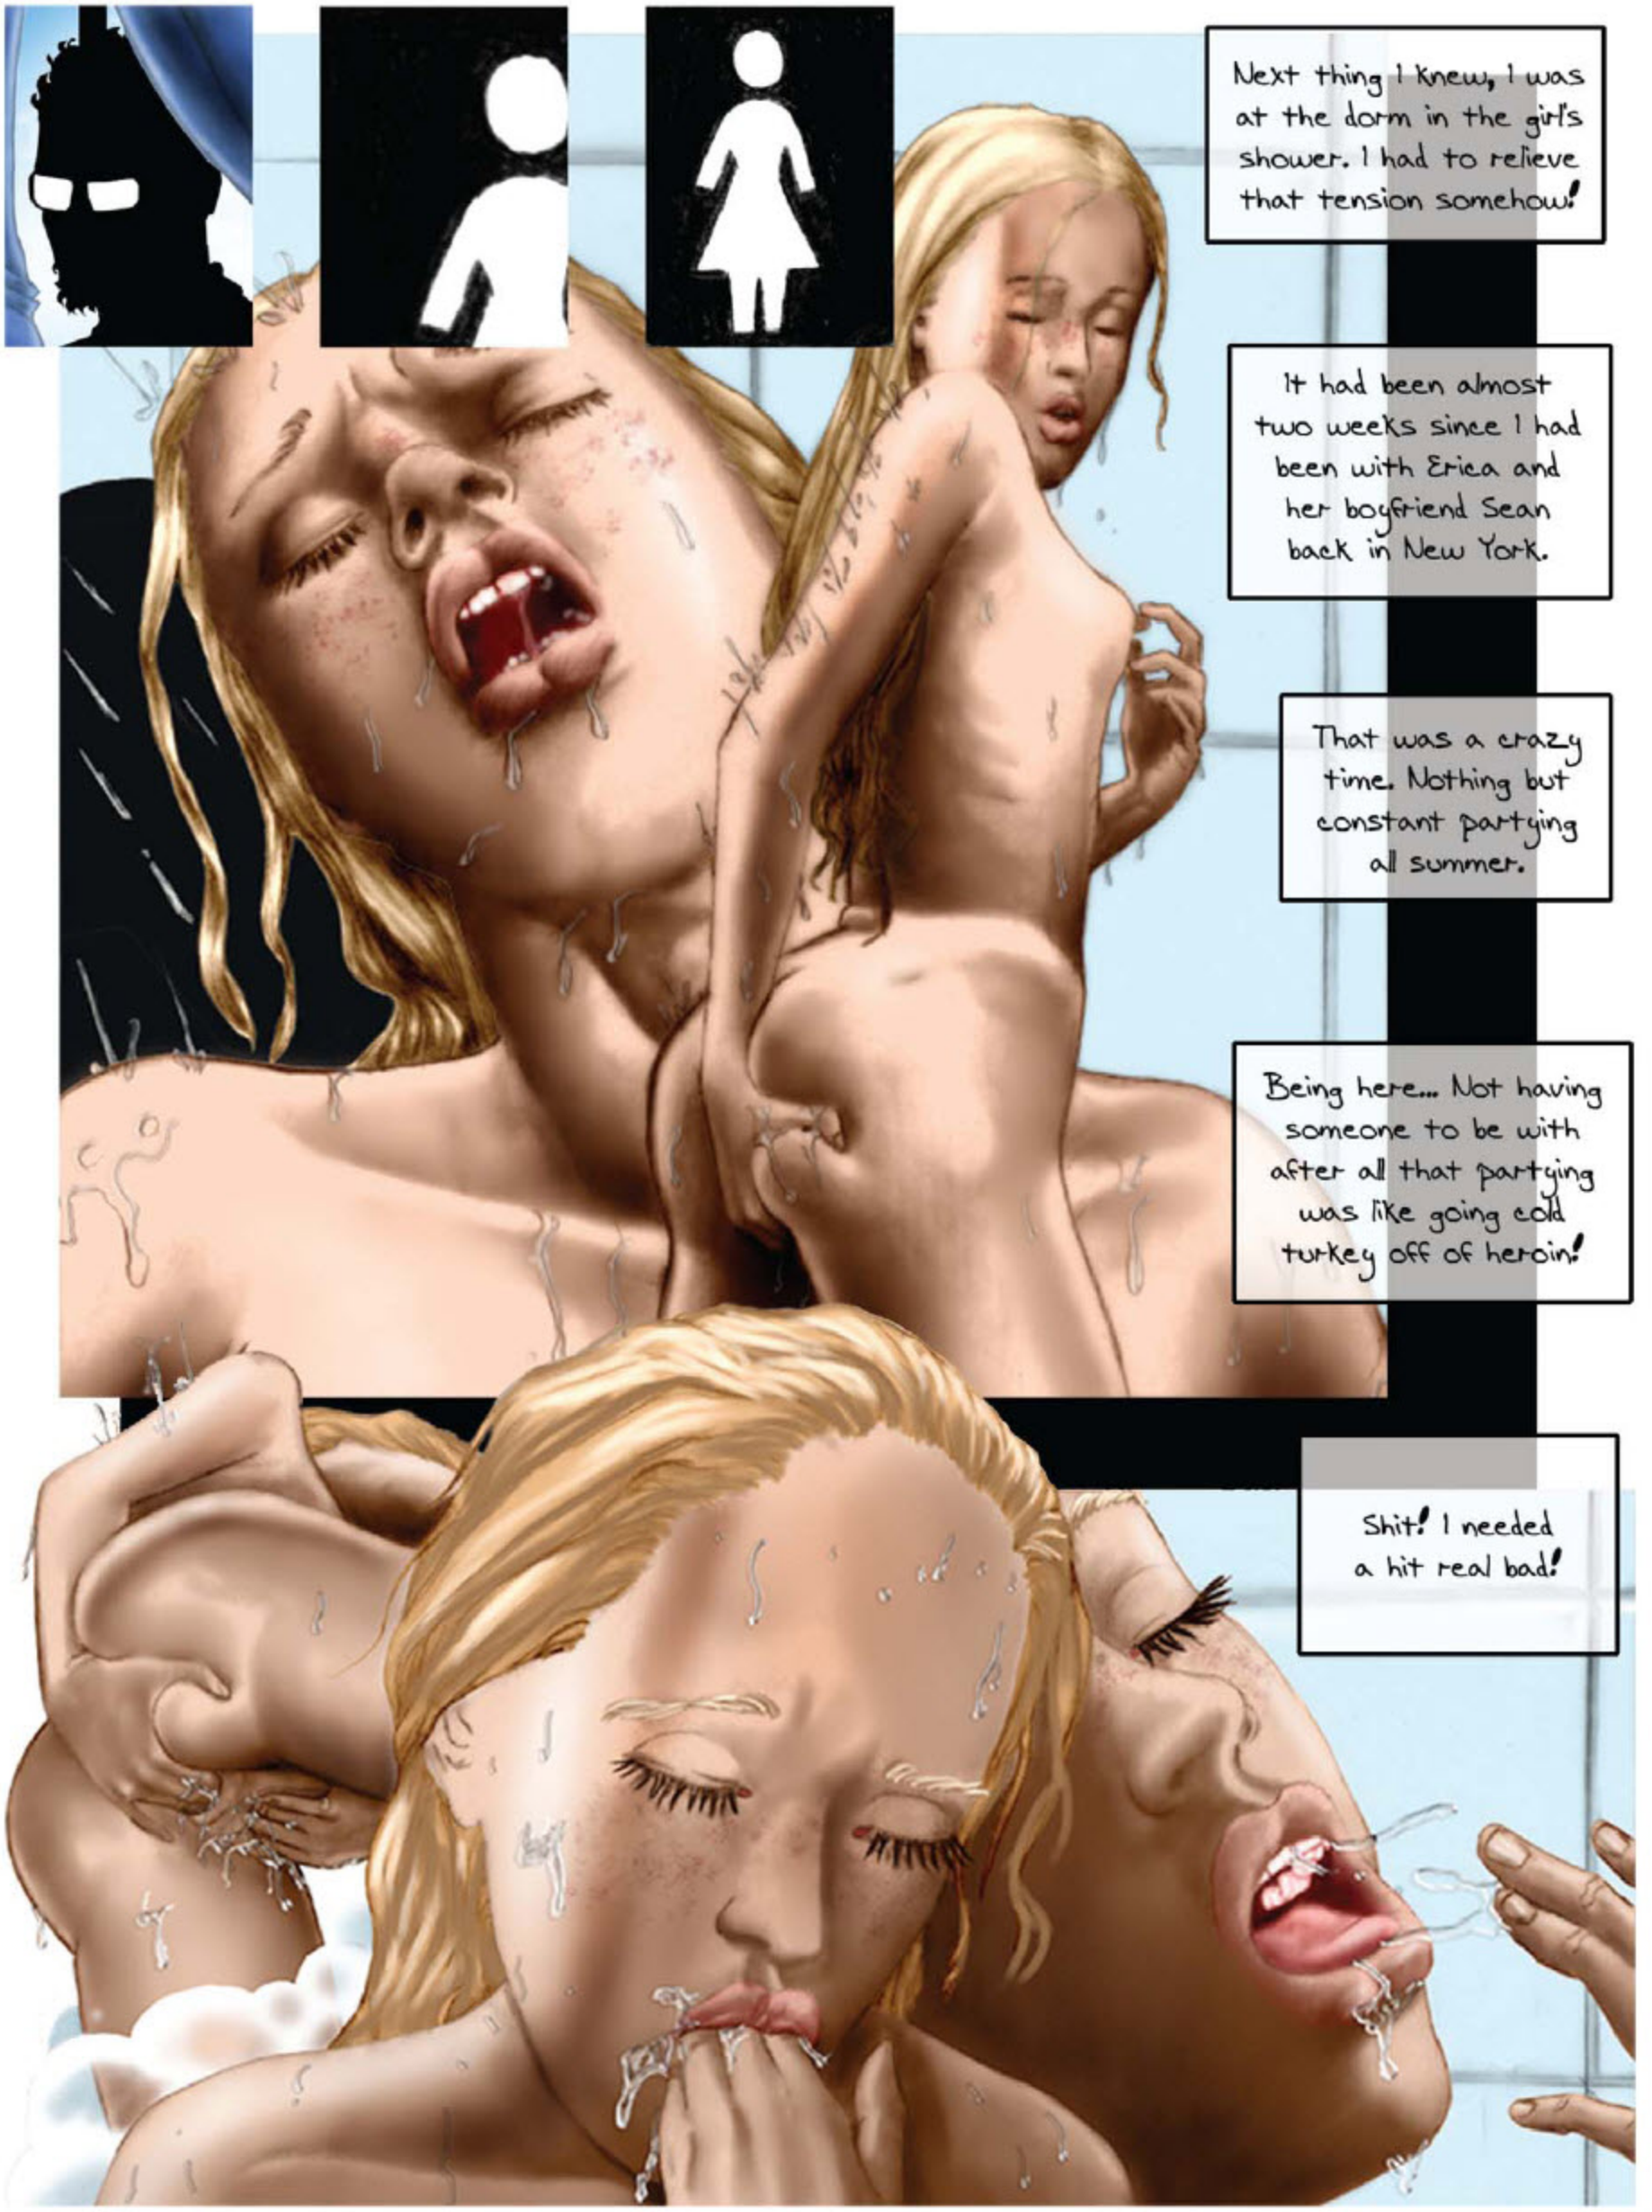
EXCUSE ME MS... FREDRICKSON?

IS THIS YOURS?

At first I thought I was in trouble, but it turns out that he has a thing for Peanut Butter too! Hmm... Smart, a big dick, and he likes Peanut butter! I was liking Professor Wilson more and more!

As I walked away I could feel his eyes on me...

Caressing me...



Next thing I knew, I was at the dorm in the girl's shower. I had to relieve that tension somehow!
It had been almost two weeks since I had been with Erica and her boyfriend Sean back in New York.
That was a crazy time. Nothing but constant partying all summer.
Being here... Not having someone to be with after all that partying was like going cold turkey off of heroin!
Shit! I needed a hit real bad!

LOLA

my secret life

photography by jana krenová

Hey, guys! Nikki the intern here with a special surprise guest. Lola made her very first appearance in BARELY LEGAL one year ago today (*Lola: Straight-A Student*, Anniversary 2007). How's college life treating the ex-Catholic-high-school girl? Pretty well, actually!

Is Lola your real name?
Um, some names were changed to protect the innocent.
But *you're* not innocent!
True. But a girl's gotta have her secret identity.
Like Hannah Montana?
Exactly! When I'm at school, I just want to be a regular teenage girl. But at night, I like to get wild.
***Um*, I don't know if you noticed, but you're naked—and it's the middle of the day!**
Yeah, so?
So, how much wilder do you get at night?
Well, I like to suck cock. I *love* it, actually. Also? Butt sex is a major theme.
More so than regular sex?
Mmm...it's about half and half. But I always give up the butt first. I save my pussy for when I'm in love—or with a girl! Butt sex is just for fun.
Do you come harder during butt sex?
Not really. I just like it 'cause it feels naughty. I actually come hardest when I masturbate. It's the only way I can rub my clit *and* hit my G spot at the same time.
How often do you masturbate?
I do it so much, I'm lucky if I ever make it to class!
Any words of advice for girls about to start college?
Freshman year was so fun! It went by so fast! I would say, take advantage of your time—and your roommate! LOL! Every girl needs a college lez experience! ★

BARELY LEGAL

BOX OFFICE

WE GIRLS AT BARELY LEGAL THINK THE BEST PERSON TO JUDGE THE REALNESS AND HOTNESS OF A LEGAL-TEEN VIDEO IS A REAL, HOT LEGAL TEEN. HERE TO REVIEW THE LATEST RELEASES IS THIS MONTH'S GUEST CRITIC, TORI BLACK.

LAME, BUT BETTER THAN DOING HOMEWORK. ★	GOOD ENOUGH TO COME WITH THE HELP OF A FINGER. ★★★
DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER. ★★	THE BARELY LEGAL BOMB! ★★★★

Emma's smile just lights up the room.

That's not a squeeze toy, Dakoda!

TEEN IDOL #5

★★★★

Smash Pictures. Directed by Rick Davis; starring Kelly Skyline, Dakoda Brookes, Emma Ray, Sophie Perez, Kacey Jordan, Cheyne Collins, Derrick Pierce, Alex Gonz, Jordan Ash and Jack Venice.

Teen Idol #5 stars a bunch of super cute, brand-new girls, but honestly? I was the *most* psyched to see Dakoda Brookes in action 'cause I read all about her in HUSTLER. Dakoda has the looks, the bod and the insatiable horniness to be a huge star. Plus, she has a great ass and can deep-throat like nobody's business. Actually, *all* the girls are really great at sucking dick, and the camera guy captures it perfectly, with lots of sexy close-ups. This is the first movie ever for Sophie Perez and Emma Ray. Sophie's a little shy at first, but her inner slut comes out as she gives a knee-buckling BJ. Emma's scene is *really* kinky—she lets the guy finger her ass, choke her *and* come inside her! I'm not down with the choking, personally, but Emma didn't seem to mind. Kacey Jordan lets her guy choke her, too. I get the feeling she's a really nasty girl who's into that sort of thing—different strokes for different folks, I guess. LOL! There's no anal, but that's no big deal unless you're a butt-sex freak. *Teen Idol #5* has pretty girls in plaid skirts doing naughty things, so it definitely worked for me!

Jack checks Kacey for belly-button lint.

FAQ About Xomax

Q. How soon do you see results ?
A. Most men see results with their first dose and increasing results over 60 - 90 days.

Q. Are the results permanent?

A. Up to 5 inches or more with a increase in width of 50%

Q. Is Xomax natural?
A. Xomax is 100% natural, safe and Doctor recommend for those looking for advanced penis enhancement, plus Xomax has no side effects.

Q. What makes Xomax the #1 natural penis enhancement formula?
A. Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Instead, they pass off less expensive ingredients, such a Ginseng or low end forms of L-Arginine.

Q. Is Xomax guaranteed to work?
A. Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within two months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. So remember that the genuine ingredients in Xomax are GUARANTEED to work! Order today –the best money can buy!

Hey, guys! Rachel the intern here with Titiana. *Oops*! I mean, *Tat*-iana. She's a high school senior who can't wait to get out and show the world what she's got—that's including, but not limited to, her boobs!

What kinds of things are you into?
Horseback riding, music, swimming, singing, football, volleyball and soccer—and I love to go dancing.
What are your favorite foods?
Pepperoni pizza, crab legs, french fries.
What are your favorite TV shows?
CSI, *Bones*, *How I Met Your Mother*—but I'd rather hang out with my friends than sit in front of the TV all day.
Who's your biggest celebrity crush?
I don't normally get them, but there's just something about Adrien Brody that makes me melt into my boots.
What's your biggest turn-on?
A man in uniform.
What's your worst fear?
Being alone.
Are you single?
I'm single and definitely looking for a relationship.
What do you look for in a guy?
I'm looking for someone down-to-earth who'll treat me right. Older guys are better at that. I want a real man, not a pretty boy.
Have you ever hooked up with a girl?
I've fooled around at sleepovers and stuff, but I haven't gone all the way.
Have you ever hooked up with a stranger?
Not a *complete* stranger.
Have you ever been with more than one guy at once?
No, but I was staying in a hotel room with my *mom* one time, and we overheard what sounded like a threesome coming from next door. I was so embarrassed, I could have died! But my mom was just like, "Wow, listen to them go!"
Do you get sick of guys staring at your boobs?
Are you kidding? I love it! Most girls would pay a fortune to get boobs like mine.
What's your favorite sexual activity?
I like to suck on guys' nuts when I'm giving them a BJ. It drives guys crazy for some reason.
Where do you like a guy to come?
In my mouth is good. Or on my tits. The one downside to the whole nut-sucking thing is, guys tend to come in my hair a lot.
Have you tried anal sex?
Yes. I'm trying to repress my memory of the guy I was dating at the time, but I did try it with him, and I gotta say, it was pretty hot. But I don't think I'll rush into doing it again. I'm saving it for someone special.
What's the naughtiest thing you've ever done?
I hooked up with this guy I met on the Internet. We had been flirting online for like three months. He lived about two hours away, but finally one night I just drove up there. When I got there, we practically ripped each other's clothes off. It was the best sex I've had yet!
What's your wildest sexual fantasy?
I want to do it naked in the rain. Whenever it thunders, I get a little tingle between my legs.
What are your plans for the future?
I want to go to college, get a good job and move to the city. I don't care about being famous, but I do want to be successful.
Did you like posing nude?
It was definitely great knowing that the photographer saw a light in me and wanted to take my picture. I hope I'm not *too* embarrassed when it comes out, but I'm glad I had the courage to do it. ★
